Introduction

About the Build-a-Skill Instant Books Series

The *Build-a-Skill Instant Books* series features a variety of reproducible instant books that focus on important reading and math skills covered in the primary classroom. Each instant book is easy to make, and once children become familiar with the basic formats that appear throughout the series, they will be able to make new books with little help. Children will love the unique, manipulative quality of the books and will want to read them over and over again as they gain mastery of basic learning skills!

About Build-a-Skill Instant Books: Prefixes and Suffixes

This book features prefixes and suffixes in fun and easy-to-make instant books. Children will make flip books, strip books, mini books, and more! As children read and reread their instant books, they will improve their understanding of prefixes and suffixes, and increase their vocabulary. For your reference, the prefixes and suffixes presented in this book are listed on pages 5–6.

Refer to the Table of Contents to help with lesson planning. Choose instant book activities that fit with current curriculum goals in your regular or ELL classroom. Use the instant books to practice skills or introduce new ones. Directions for making the instant books appear on pages 3–4. To use a bookmaking activity as homework, provide copies of the directions along with the book patterns.
